EUROPEAN DEAF SPORT ORGANISATION

1. EVENT STATUS

1.1 Event Authority

The European Deaf Youth Games (EDYG) Beach volleyball competition is organised under the authority of the European Deaf Sports Organisation (EDSO).

The sport-specific organisation and technical supervision shall be conducted by the EDSO Beach volleyball Director in cooperation with the Local Organising Committee (LOC).

The LOC shall be responsible for venue operations, logistics, scheduling, and on-site organisation.

All technical and regulatory authority remains with EDSO.

1.2 Event Type / Sport Status

EDYG Beach volleyball is a youth development competition.

It is designed to:

- promote participation in international Deaf sport,
- support athlete development,
- provide competitive experience for young athletes,
- and encourage long-term engagement in Beach volleyball.

EDYG Beach volleyball is not an elite championship and does not serve as a qualification event for ICSD competitions, World Deaf Championships or Deaflympics.

1.3 Event Level

EDYG Beach volleyball is conducted at the continental youth level under EDSO authority. It constitutes an official European youth competition for Deaf athletes.

1.4 Sport Classification

Beach volleyball is classified as a team sport (2 athletes per team).

It is contested exclusively in:

- team-based competitions (pairs).

Mixed events may be organised as an additional category.

1.5 Competition Categories

The following categories may be organised:

- Boys
- Girls

EUROPEAN DEAF SPORT ORGANISATION

Mixed events (e.g. mixed pairs) may be organised if the minimum participation criteria are fulfilled.

1.6 Qualification Competitions

No qualification competitions are required for EDYG Beach volleyball.

Participation is based on open entry, subject to the limits defined in these Technical Regulations.

1.7 Advancement Pathways

The EDYG Beach volleyball competition does not serve as a qualification event for:

- European Deaf Championships (EDC)
- World Deaf Championships
- World Deaf Youth Games
- Deaflympics

The competition serves exclusively as a developmental and educational platform.

1.8 Ranking, Seeding and Cycle Systems

Results from EDYG Beach volleyball do not form part of any official ICSD ranking system.

EDSO may, where appropriate, use results for internal youth development tracking and seeding purposes in future youth competitions.

No automatic ranking points or advancement rights shall apply unless explicitly stated.

2. PARTICIPANTS & ELIGIBILITY

2.1 Invitation / Nomination

Participation in the EDYG Beach volleyball competition is subject to official nomination.

All National Deaf Sports Federations (NDSFs) in good standing with EDSO are entitled to nominate athletes for participation.

Only athletes duly nominated by their respective NDSF are eligible to compete.

Entries may only be submitted by authorised representatives of the respective NDSFs.

2.2 Eligibility

Participation in the competition is restricted to athletes who fulfil all eligibility requirements defined by EDSO and ICSD.

All athletes must:

EUROPEAN DEAF SPORT ORGANISATION

- hold a valid ICSD athlete registration number,
- be registered with a National Deaf Sports Federation recognised by ICSD,
- possess a valid and ICSD-recognised audiogram in accordance with the ICSD Audiogram Regulations.

Athletes without a valid ICSD ID and recognised audiogram are not eligible to compete.

2.2.1 Hearing Eligibility

Participation is restricted to athletes who are deaf and/or hard of hearing.

All athletes must comply with the ICSD Audiogram Regulations.

A minimum hearing loss of 55 dB in the better ear is required.

Audiograms shall be verified in accordance with the applicable ICSD procedures.

The use of hearing aids, cochlear implants or similar hearing devices is prohibited in the Restricted Zone.

2.2.2 Age Eligibility

EDYG Beach volleyball is a youth-level competition.

Age eligibility is defined by year of birth, not by exact date of birth.

The following age categories apply:

Category	Year of Birth
Boys U19	2008 - 2012
Girls U19	2008 – 2012

The standard age categories defined above may be modified by Addendum where necessary.

The exact grouping into competitions depends on the number of registered athletes and shall be confirmed in the Event-Specific Technical Bulletin.

EDSO reserves the right to merge or adapt age categories if required to ensure meaningful competition.

All athletes who are sixteen (16) years of age or younger must obtain written permission from their parents or legal guardians and, where applicable, from their educational authorities.

2.2.3 Compliance

Only athletes who comply with:

- the EDSO Statutes,
- the EDSO General Regulations,
- the EDYG General Provisions (Part I1),
- and the present Technical Regulations

are eligible to participate.

EUROPEAN DEAF SPORT ORGANISATION

2.3 Number of Teams

Each National Deaf Sports Federation (NDSF) may enter a maximum of two (2) teams per gender category.

Each team consists of two (2) athletes.

Accordingly, an NDSF may enter up to four (4) athletes per gender in EDYG Beach volleyball.

No additional teams beyond this limit shall be accepted unless explicitly authorised by EDSO and published in the Event-Specific Technical Bulletin.

2.4 Qualified Teams / Athletes

Participation in EDYG Beach volleyball is based on open entry.

No qualification tournaments are required.

If the number of registered athletes exceeds the operational capacity of the event, EDSO may introduce:

- quota systems,
- entry caps per NDSF,
- or prioritisation criteria.

Any such measures shall be published in the Event-Specific Technical Bulletin.

2.5 Maximum Number of Athletes and Team Officials per NDSF

2.5.1 Athletes

Each National Deaf Sports Federation (NDSF) may enter and field a maximum number of athletes for participation in the EDYG Beach volleyball competition as follows:

Category	Maximum
Boys	4
Girls	4

This quota defines the maximum number of athletes who may be accredited and allowed to compete for each NDSF.

No NDSF may exceed this overall athlete quota.

2.5.2. Team Officials

In addition to the registered athletes, each National Deaf Sports Federation (NDSF) may accredit team officials in accordance with its own organisational needs.

For EDYG Beach volleyball events, no fixed maximum number of team officials per delegation is prescribed. The composition and number of team officials (e.g. coaches, head of delegation, medical staff, support personnel) shall be determined at the discretion of the respective NDSF, subject to overall event capacity and accreditation policies.

EUROPEAN DEAF SPORT ORGANISATION

The final confirmation of accredited team officials, including categories, numbers and access rights, shall be determined by the Organising Committee and communicated via the Event-Specific Technical Bulletin.

2.6 Number of Athletes per Discipline / Event

Within the overall participation quota defined in Article 2.5, the following maximum numbers of athletes per discipline/event apply:

Event	Boys	Girls	Mixed
Teams	2	2	2 teams (1 male + 1 female per team) (if applicable)

For mixed events, one mixed team consists of one (1) male and one (1) female athlete. Each NDSF may enter a maximum of two (2) mixed teams per mixed event.

These limits define how many athletes from one NDSF may be entered and fielded per discipline or event.

The limits per discipline/event do not increase the overall maximum number of athletes defined in Article 2.5.

Example:

An NDSF may bring additional athletes to the event as part of its delegation. However, if the maximum number of teams allowed to compete is two (2), only two (2) teams (four athletes) may be entered and fielded in that event, regardless of how many athletes are present at the venue.

2.7 Number of Reserves / Substitutes

Substitutions and reserve athletes are not permitted in Beach volleyball once the competition has started, unless explicitly authorised by the Technical Committee.

2.8 Competition Entry Standards

No minimum performance standards apply.

EDYG Beach volleyball is a development-oriented competition.

2.9 Competition Entry Rules

Only an authorised representative of each NDSF is allowed to submit entries.

All entries must be submitted using the official EDSO forms or platforms.

2.10 Non-Starting Athletes (DNS / No-Show)

A fine of EUR 30 shall be levied on each non-starting athlete.

EUROPEAN DEAF SPORT ORGANISATION

This fine shall not apply if the athlete submits a medical certificate or a doctor's declaration stating that he/she is not allowed to start.

3. ENTRIES & REGISTRATION

3.1 Entry Procedure

Entries for EDYG Beach volleyball shall be submitted exclusively by the National Deaf Sports Federations (NDSFs).

All entries must be submitted using the official EDSO registration forms or platforms.

Entries shall be sent to the EDSO Beach volleyball Director, with a copy to the EDSO Representative and the Organising Committee.

3.2 Entry Phases

EDYG Beach volleyball follows the standard multi-phase entry system.

Due to the youth-development character of the EDYG, flexibility may be applied within the defined framework.

The following phases apply:

Phase 1 – Preliminary (Form 1)

NDSFs shall submit a non-binding preliminary entry indicating their intention to participate and the expected number of teams.

Standard deadline: **30 June 2025**

This phase serves to:

- estimate participation numbers,
- support scheduling and court allocation,
- enable early planning of age categories and formats.

Phase 2 – Final Entry (Form 2)

NDSFs shall submit their binding number of teams per gender category.

Standard deadline: **16 January 2026**

Special EDYG provision for Beach volleyball:

An NDSF may initially register 0, 1 or 2 teams per gender.

An increase from 0 → 1 or 0 → 2, or from 1 → 2 teams is permitted until Phase 3, to allow the late identification of talented youth athletes.

After Phase 3, no further increases are permitted.

EUROPEAN DEAF SPORT ORGANISATION

Phase 3 – Provisional Name List (Form 3)

NDSFs shall submit a provisional and extended list of athletes, including reserve athletes.

Standard deadline: **16 May 2026**

This phase serves for:

- eligibility verification,
- age category confirmation,
- scheduling and draw preparation,
- safeguarding and supervision planning.

Phase 4 – Final Name List (Form 4)

NDSFs shall submit the final and binding list of athletes.

Standard deadline: **16 July 2026**

Only athletes included on the Final Name List are eligible to compete, unless replacement rules apply.

3.3 Entry Limits

Entry limits per NDSF, discipline or event may apply.

For EDYG Beach volleyball, the following limits apply per gender:

- Maximum 2 teams per NDSF
- 2 athletes per team
- Maximum 4 athletes per gender may actively compete

These limits apply to competition participation only and do not restrict the total size of a national delegation.

These limits refer exclusively to athletes and do not include coaches, team officials, interpreters or support staff.

No fixed maximum number is imposed on the total number of non-athlete delegation members per NDSF.

However, the number of coaches and officials allowed in the field of play, competition area or restricted zones shall be limited and regulated in accordance with the sport-specific competition rules.

All additional delegation members may only access spectator areas or non-restricted zones.

3.4 Reserve Athletes

Reserve athletes may be designated only within the maximum number of athletes permitted per NDSF.

EUROPEAN DEAF SPORT ORGANISATION

No additional athletes beyond the maximum number of athletes defined for Beach volleyball teams shall be accredited.

3.5 Late Entries & Changes

Late entries, changes after deadlines or exceptional modifications require explicit approval by EDSO.

Such approvals shall only be granted in justified youth-development cases.

3.6 Non-Start, Withdrawal & Penalties

A fine of EUR 30 shall be levied for each non-starting athlete (DNS).

This fine shall not apply if the athlete submits an official medical certificate or a doctor's declaration confirming that he or she is not allowed to start.

Additional sanctions may apply in accordance with the EDSO Schedule of Fees.

3.7 Maximum Numbers of Teams and/or Athletes

The maximum number of teams and/or athletes admitted to EDYG Beach volleyball may be limited for organisational, scheduling or safeguarding reasons.

If necessary, restrictions shall be published in the Event-Specific Technical Bulletin.

3.8 Accreditation Fees

Participation in the European Deaf Youth Games (EDYG) is subject to an accreditation fee payable to EDSO.

Unless otherwise specified in the sport-specific Technical Regulations, an accreditation fee of EUR 30 per person shall apply for:

- athletes,
- coaches,
- team officials,
- team leaders,
- physiotherapists,
- interpreters,
- and any other accredited delegation members.

This accreditation fee is payable to EDSO and is mandatory for all persons accredited for participation in EDYG events.

3.8.1 Sport-Specific Exception – Beach Volleyball

For EDYG Beach Volleyball, the following exception applies:

- An accreditation fee of EUR 50 per pair shall apply for each competing beach volleyball pair (two athletes together).
- This pair-based accreditation fee replaces the individual athlete fee for beach volleyball athletes only.

EUROPEAN DEAF SPORT ORGANISATION

All non-athlete delegation members (coaches, officials, interpreters, etc.) remain subject to the standard EUR 30 per person accreditation fee.

3.8.2 Local Organising Committee (LOC) Fees

Any additional fees charged by the Local Organising Committee (LOC), including but not limited to accommodation, meals, transport or local services, are not included in the EDSO accreditation fee.

Such LOC-related fees shall be invoiced separately by the LOC and are governed exclusively by the event-specific participation package.
